Contract and Deposit

All arrangement packages require signature of a contract and a 50% deposit. Work will commence upon receipt of the signed contract and deposit, and the first draft will be completed no later than thirty (30) days after the contract and deposit are received.

Delivery

Arrangements will be delivered electronically in .pdf format, and will include a score, individual parts, and an .mp3 recording of the arrangement. If you would like paper copies, we will gladly print them for you at a cost of \$.10 per sheet. CDs containing parts and .mp3 recordings can be burned for \$15. We can also ship your arrangement via UPS for an additional \$15.

Revision Policy

When you purchase an Arrangement Package from Summerglen, your price includes one free round of revisions. You may request up to ten (10) items to be revised; for example, modifying instrument ranges to better fit your players, altering chord voicings or doubling, changing rhythms, adding embellishments, etc. To qualify for the free revision, all ten items must be requested at the same time. Revisions will be completed within seven (7) days of your request.

If a second round of revisions is needed, each item to be revised will be billed at a rate of \$25.

If after the second round of revisions, you are still not satisfied with the arrangement, it is possible that Summerglen isn't the right fit for your needs. While we do not issue refunds, we will be happy to help you find another high-quality arranging service.
